

Server Error in '/'Application.

A specified Include path is not valid. The EntityType 'Realstate_agentsModel.Saved_Templates' does not declare a navigation property with the name 'dimension'.

Description: An unhandled exception occurred during the execution of the current web request. Please review the stack trace for more information about the error and where it originated in the code.

Exception Details: System.InvalidOperationException: A specified Include path is not valid. The EntityType 'Realstate_agentsMbdel.Saved_Templates' does not declare a navigation property with the name 'dimrensn'.

Source Error:

An unhandled exception was generated during the execution of the current web request. Information regarding the origin and location of the exception can be identified using the exception stack trace below.

Stack Trace:

```
[InvalidOperationException: A
specified Include path is not
valid. The EntityType
'Realstate_agentsModel.Saved_Templa
tes' does not declare a navigation
property with the name
'dimension'.]
