LETTER ID: L0593514112
ACCOUNT ID: 1001881619-SLC
AMOUNT DUE: \$15.00

AMOUNT PAID:

This is a notice of proposed assessment. This assessment will become final after **30 days**, at which time collections activity may begin. You may continue working with the Department even after the assessment becomes final.

WHY DID I RECEIVE THIS NOTICE?

You received this notice for one of the following reasons:

1. You have an active account with the Department and have not filed a required tax return for the account type and period indicated on the front, so the Department has **estimated** an amount due;
2. You filed a tax return and did not pay all the tax due; or
3. You filed a tax return after the due date and have been assessed penalties and/or interest.

WHAT SHOULD I DO NEXT?

1. If you received this notice because you did not file a required tax return, you should go to <https://tntap.tn.gov/eservices/> to file the return. **Filing the return will remove this assessment.**
2. If you received this notice because you underpaid the tax due on a filed tax return, you should go to <https://tntap.tn.gov/eservices/> to make a payment or set up an installment payment agreement.
3. If you have been assessed penalties and/or interest, you can go to <https://tntap.tn.gov/eservices/> to make a payment. Penalties can be waived under certain circumstances, such as having a good filing history. To request a penalty waiver, sign in to your TNTAP account and select "Petition for Penalty Waiver." **Tennessee law prohibits the Department from waiving interest under any circumstances.**

WHAT IF I DISAGREE WITH THE ASSESSMENT?

1. If you filed the required tax return or do not believe a return is due, contact the Department by sending a message through "Revenue Help" on the Department's website listed below by clicking on "Submit a request" at the bottom of the webpage. You may also call Taxpayer Services at the number below.
2. If you have questions about the reason for an underpayment, contact the Department through "Revenue Help" using the same method outlined above or by calling Taxpayer Services at the number below.
3. You have the right to an informal conference to dispute this proposed assessment. You should request an informal conference only if you are unable to resolve your disagreement using the above options.

HOW LONG DO I HAVE TO RESPOND TO THIS NOTICE?

You have 30 days from the date of this notice to resolve the issue, otherwise this proposed assessment becomes final and collection action may begin. Taxpayers are generally able to resolve the issue by simply contacting the Department's Taxpayer Services Division or by filing the necessary tax return. **You can still file your return and have the assessment removed after this notice becomes final.**

INFORMAL CONFERENCE INFORMATION

You may request an informal conference to discuss this proposed assessment with a hearing officer if you think it is incorrect. You must request an informal conference in writing. Your request will be considered timely if it is made within 30 days from the date of this notice. If your request is timely, this proposed assessment will not become a final assessment until after the informal conference process has concluded. You may submit your request, or learn more about your taxpayer rights, online at www.tn.gov/revenue/tax-resources by clicking on "Request an Informal Conference" or by mailing your request to the Department of Revenue, Attn: Hearing Office, at the address below.

IF YOU ARE IN BANKRUPTCY

If you are in bankruptcy, this notice of proposed assessment does not constitute a demand for payment for amounts due prior to your petition date. It is a notice of tax deficiency. If you have questions about the status of a liability, you may contact the Department's Bankruptcy Section at 615-741-7071.
