LEAD HAZARD CONTINGENCY

This agreement is contingent upon a risk assessment or inspection of the property for the presence of lead-based paint and/or lead-based paint hazards1 at the Purchaser's expense until 9:00 p.m. on the tenth calendar day after ratification or a date mutually agreed upon. This contingency will terminate at the above predetermined deadline unless the Purchaser (or Purchaser's agent) delivers to the Seller (or Seller's agent) a written contract addendum listing the specific existing deficiencies and corrections needed, together with a copy of the inspection and/or risk assessment report. The Seller may, at the Seller's option, within 3 days after delivery of the addendum, elect in writing whether to correct the condition(s) prior to settlement. If the Seller will correct the condition, the Seller shall furnish the Purchaser with certification from a risk assessor or inspector demonstrating that the condition has been remedied before the date of the settlement. If the Seller does not elect to make the repairs, or if the Seller makes a counter-offer, the Purchaser shall have 2 days to respond to the counter-offer or remove this contingency and take the property in "as-is" condition or this contract shall become void. The Purchaser may remove this contingency at any time without cause. Intact lead-based paint that is in good condition is not necessarily a hazard. See EPA pamphlet Protect Your Family From Lead in Your Home for more information.

ARBITRATION

Any dispute in which a real estate broker is claiming a commission from a party hereto as a result of the transaction set forth in this agreement and where the dispute involves a sum of money more than \$6,000 shall be resolved by arbitration before one single arbitrator. The arbitration shall be held in the county in which the real estate which is the subject matter of this agreement is located. The arbitration shall be governed by the commercial rules of the National Arbitration and Mediation. The prevailing party in the arbitration shall be entitled to recoup all of its cost including, but not limited to, all fees paid to the National Arbitration and Mediation, the arbitrator, any other administrative fees and reasonable attorneys fees. Any Award of the Arbitrator shall be final and conclusive upon the parties hereto and a Judgment thereon may be entered in the highest court of the State of New York having jurisdiction. Nothing herein contained shall prevent a broker from commencing an action as law or equity where such action is necessary for the broker to obtain injunctive or other temporary relief such as the relief provided in CPLR §2701.

COMPLETE AGREEMENT

Buyer and Seller acknowledge and agree that no representations, warranties or agreements have been made with respect to the premises or the purchase price hereof other than those set forth in the agreement. Buyer and Seller further agree that this agreement cannot be changed or modified in any way except by writing signed by both buyer and seller.

LEAD PAINT DISCLOSURE CONTINGENCY

This agreement obligates the parties to sell and purchase the real property described herein if as and when the purchaser has received the Lead Paint Hazard Disclosures required by the Residential Lead Based Paint Hazard Reduction Act of 1992 and the purchaser and seller have agreed to perform under the terms hereof or any other terms and conditions subsequently negotiated.

ATTORNEY'S APPROVAL CLAUSE

This agreement is contingent upon purchaser and seller obtaining approval of this agreement by their attorney as to all matters contained therein. This contingency shall be deemed waived unless purchaser's or seller's attorney on behalf of their client notifies the broker in writing, of their disapproval of the agreement no later than 3 business days after full execution hereof. If purchaser's or seller's attorney so notifies, then this agreement shall be deemed canceled, null and void, and all deposits shall be returned in full to the purchaser.

New York State Disclosure Form for Buyer and Seller

THIS IS NOT A CONTRACT

New York State law requires real estate licensees who are acting as agents of buyers or sellers of property to advise the potential buyers or sellers with whom they work of the nature of their agency relationship and the rights and obligations it creates. This disclosure will help you to make informed choices about your relationship with the real estate broker and its sales agents.

Throughout the transaction you may receive more than one disclosure form. The law may require each agent assisting in the transaction to present you with this disclosure form. A real estate agent is a person qualified to advise about real estate.

If you need legal, tax or other advice, consult with a professional in that field.

Disclosure Regarding Real Estate Agency Relationships

Seller's Agent

A seller's agent is an agent who is engaged by a seller to represent the seller's interests. The seller's agent does this by securing a buyer for the seller's home at a price and on terms acceptable to the seller. A seller's agent has, without limitation, the following fiduciary duties to the seller: reasonable care, undivided loyalty, confidentiality, full disclosure, obedience and duty to account. A seller's agent does not represent the interests of the buyer. The obligations of a seller's agent are also subject to any specific provisions set forth in an agreement between the agent and the seller. In dealings with the buyer, a seller's agent should (a) exercise reasonable skill and care in performance of the agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the value or desirability of property, except as otherwise provided by law.

Buyer's Agent

A buyer's agent is an agent who is engaged by a buyer to represent the buyer's interest. The buyer's agent does this by negotiating the purchase of a home at a price and on terms acceptable to the buyer. A buyer's agent has, without limitation, the following fiduciary duties to the reasonable buyer: care. undivided loyalty. confidentiality, full disclosure, obedience and duty to account. A buyer's agent does not represent the interest of the seller. The obligations of a buyer's agent are also subject to any specific provisions set forth in an agreement between the agent and the buyer. In dealings with the seller, a buyer's agent should (a) exercise reasonable skill and care in performance of the

agent's duties; (b) deal honestly, fairly and in good faith; and (c) disclose all facts known to the agent materially affecting the buyer's ability and/or willingness to perform a contract to acquire seller's property that are not consistent with the agent's fiduciary duties to the buyer.

Broker's Agents

A broker's agent is an agent that cooperates or is engaged by a listing agent or a buyer's agent (but does not work for the same firm as the listing agent or buyer's agent) to assist the listing agent or buyer's agent in locating a property to sell or buy, respectively, for the listing agent's seller or the buyer agent's buyer. The broker's agent does not have a direct relationship with the buyer or seller and the buyer or seller cannot provide instructions or direction directly to the broker's agent. The buyer and the seller therefore do not have vicarious liability for the acts of the broker's agent. The listing agent or buyer's agent do provide direction and instruction to the broker's agent and therefore the listing agent or buyer's agent will have liability for the acts of the broker's agent.

Dual Agent

A real estate broker may represent both the buyer and the seller if both the buyer and seller give their informed consent in writing. In such a dual agency situation, the agent will not be able to provide the full range of fiduciary duties to the buyer and seller. The obligations of an agent are also subject to any specific provisions set forth in an agreement between the agent, and the buyer and seller. An agent acting as a dual agent must explain carefully to both the buyer and seller that the agent is acting for the other party as well. The agent should also explain the possible effects of dual representation, including that by consenting to the dual agency relationship the buyer and seller are giving up their right to undivided loyalty. A buyer or seller should carefully consider the possible consequences of a dual agency relationship before agreeing to such representation. A seller or buyer may provide advance informed consent to dual agency by indicating the same on this form.

Dual Agent with Designated Sales Agents

If the buyer and seller provide their informed consent in writing, the principals and the real estate broker who represents both parties as a dual agent may designate a sales agent to represent the buyer and another sales agent to represent the seller. A sales agent works under the supervision of the real estate broker. With the informed consent of the buyer and the seller in writing, the designated sales agent for the buyer will function as the buyer's agent representing the interests of and advocating on behalf of the buyer and the designated sales agent for the seller will

function as the seller's agent representing the interests of and advocating on behalf of the seller in the negotiations between the buyer and seller. A designated sales agent cannot provide the full range of fiduciary duties to the landlord or tenant. A designated sales agent cannot provide full range of fiduciary duties to the buyer or seller. The designated sales agent must explain that like the dual agent under whose supervision they function, they cannot provide undivided loyalty. A buyer or seller should carefully consider the possible consequences of a dual agency relationship with designated sales agents before agreeing to such representation. A seller or buyer provide advance informed consent to dual agency with designated sales agents by indicating the same on this form.

Demand Feature

Your loan

 \square has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

E does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 2% of the monthly principal and interest payment.

Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- \square are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- \square may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- ☑ do not have a negative amortization feature.

Partial Payments

Your lender

- \square may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- 🗵 may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- ☐ does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in 700 Broadway Unit 13 Amityville, NY 11701

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

☑ will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrowed Property Costs over Year 1	\$9,774.48	Estimated total amount over year 1 for your escrowed property costs:
Non-Escrowed Property Costs over Year 1	\$9,774.48	Estimated total amount over year 1 for your non-escrowed property costs: Homeowner's Association Dues You may have other property costs.
Initial Escrow Payment		A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment		The amount included in your total monthly payment.

☐ will not have an escrow account because ☐ you declined it ☐ your lender does not offer one. You must pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow	
Estimated Property Costs over Year 1	Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee	*

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
